

Alliant Energy Columbia Wind Project Town of Hampden Sites

Alliant Energy has filed an application with the Public Service Commission (PSC). There are 11 sites within the township – 7 chosen and 4 alternates.

- Chosen sites - WT # 21,20,22,15,14,10,106
- Alternate sites - WT #302-Alt,108-Alt,13-Alt,12-Alt

Below is some information to assist residents in assessing the wind turbine sites and sound/light impacts.

Wind Turbine information and links -

- Interactive GPS maps that identify sites and sound and light impacts.
 - [GPS - Sound Impacts](#)
 - [GPS - Light Flicker Impacts](#)
- **Disclaimer** – *These maps were developed by some guy with no affiliation with the project, the government, or anything else. There is no guarantee for this information, and this information was not validated or audited. Please use this information at your own risk/discretion.*
- [Job aid to assist GSP Maps](#)
- PSC application **doCKET # 836-CE-100** filed by Alliant Energy - [ERF - Search Result](#)
- All Wind Turbine sites [Wind Turbine sites Alliant Energy Sites Doc#571694](#)
- Tentative Timetable -
 - Alliant Energy town presentations in 2026

[Town of Hampden Alliant Energy Meeting 3/10/26 5:00-6:30pm at Town Hall](#)

- Public Service Commission decision expected in early 2027
- Pending PSC approval,
 - Alliant Energy applications for town permits
 - Wind farm operation by end of 2028

Considerations –

Impact to residents and properties –

1. Site locations – **general rule, wind turbine site minimum of 1250 feet from buildings.**
2. **Missing buildings from maps** impacted from the wind turbine sites
3. **Non-compliant sound impacts** from wind turbine to residences/buildings
 - Compliant Sound- 45hz or less 10pm-6am and 50hz or less all other times
4. **Non-compliant Light/Flicker impacts** from wind turbine to residences/buildings
 - Compliant Light Flicker 30 hours or less
5. **Landowner Mailing addresses**
<https://apps.psc.wi.gov/pages/viewdoc.htm?docid=571775>
6. If impacted buildings are missing, mailing address are missing/incorrect and/or if residences/buildings display noncompliance, please send this information before 3/10/26 to clerk@townofhampden.wi.gov. Please include the site information (property plat #, sound and/or light flicker noncompliance reading), name, email and phone number. As a courtesy for town residents, the town will compile a list to forward to Alliant Energy.

This document will be updated as more information becomes available.

Thank you.

Nanette Hensen, clerk
