

RESOLUTION NO 20

WHEREAS it has been deemed necessary and for the best interest of the Town of Hampden, Columbia County, Wisconsin, that any culvert installed for residence or field access on Town roads in the Town of Hampden shall be at least 30 feet in length with end walls. Diameter shall be according to specifications set by the Town Board. A permit shall be obtained from the Town Board before installation.

The foregoing Resolution was introduced by Robert Gross. A motion for its adoption was made by Robert Gross seconded by Wm. Herrmann and carried unanimously.

The foregoing Resolution to take effect December 21, 1999

HAMPDEN TOWN BOARD

Donald Bond  
Robert Gross  
William Herrmann
